

Reach Over 70
Million People On
MySpace

SOCIAL NETWORKING: Promote Your Business to Millions of Potential Customers!

Now small businesses can have the reach of the larger companies for as little as \$5 per day. Reach millions (literally!) of potential customers by advertising on MySpace. It's easy and extremely effective!

MyAds gives you the ability to reach over 71 million people throughout the country, but with specialized targeting to ensure the "right" people see your ads with Occupational Targeting. Simply start by choosing your demographic – from sports enthusiasts to wine drinkers – and drive those people to your business!

In three, easy steps, you're advertising your services and products to your ideal customers – it takes less than 15 minutes to get started! Build your brand on the country's largest social network, just:

- Name your campaign
- Choose your target demographic
- Set your price
- And you're in front of millions of people!

Special offer:

We want to help you get started by giving you \$50 off your first campaign. Don't miss this limited-time discount! Link to – (advertise.myspace.com)

It Really Works!

"Since we launched our MyAds campaign, traffic to our website has increased 200% at a minimal cost."
