

If You Don't Know Who You're Advertising To, You've Got Problems

MyAds allows small businesses, affiliate marketers, musicians and more to target their ads specifically to millions of MySpace users who have already expressed an interest in their types of products and services! With this exclusive hyper-targeting system, you can target by:

- Age
- Location
- Gender
- Relationship Status
- Hobbies (fly fishing, knitting, cooking)
- Interests (wine, travel, shopping)
- Education Level
- And much more!

"With MyAds, I can bring my message to an audience that I normally wouldn't have access to nor even know where to find."

— Blayne Weaver, Independent Filmmaker

EXAMPLE: Show ads to wine lovers living near your store. Or, advertise a ladies' wine tasting night to only women living within 10 miles of your store. Be as general of as specific as you'd like!
